HEIBEI MOSCH TECHNOLOGY CO., LTD.

01 COMPANY PROFILE
公司简介

提供优质紧固与连接技术解决方案

河北贸世科技有限公司专注紧固件外贸出口，主营螺栓、螺母、高强度紧固件、牙条钻尾丝、高端精密丝杆等工业核心产品，深度服务全球工程机械、自动化设备、风电汽车等高端制造领域。

公司拥有成熟的跨境运营体系与丰富外贸实操经验，熟悉各国行业标准，交付高效服务专业，具备强劲外贸优势。全程严格品控，遵循国际生产规范，工艺精良、性能稳定、筑牢品质核心竞争力。依托源头供应链整合与规模化运营优势，严控综合成本，在保障高品质的同时，为客户提供极具竞争力的采购价格。

企业始终以品质为根基、以信誉为准则，凭借优质产品、合理价位与专业服务，持续为全球客户提供标准化、高可靠的一站式紧固配套解决方案。

Hebei Maoshi Technology Co., Ltd. focuses on fastener export. We mainly supply bolts nuts, high-strength fasteners, threaded rods, self-drilling screws and high-precision lead screws, serving global high-end industries such as engineering machinery, automation, wind power and automotive manufacturing.

With mature cross-border operation and rich foreign trade experience, we comply with international standards to ensure efficient delivery and professional service. Strict quality control and standardized production guarantee stable and reliable product performance.

By integrating upstream supply chains and optimizing costs, we offer competitive prices with guaranteed quality. Upholding quality and integrity, we provide global clients with reliable one-stop fastening solutions.

ENTERPRISE COMPETITIVENESS 企业竞争力

01

专业外贸优势深耕紧固件出口多年，熟悉各国行业标准与清关流程，跨境交付高效一站式外贸服务成熟省心。

Proficient in fastener export, well-versed in global standards and customs procedures, with efficient delivery and one-stop service.

02

严苛品质优势全流程品控管理，遵循国际生产规范，产品精度高、稳定性强，适配高端制造长期严苛使用需求。

Strict quality control throughout production in line with international standards. High precision and stable performance, ideal for high-end manufacturing.

03

高性价比优势整合源头供应链，规模化集采降本，严控生产成本，同等品质下价格更具市场竞争力。

Cost-effective edge: Integrated supply chain and large-scale procurement reduce costs, offering competitive prices with guaranteed quality.

04

仓储与质检实力雄厚自有标准化生产配套设备及大型仓储体系，配备全套专业检测仪器，从源头保障产品质量稳定合规。

Solid warehousing & testing strength. Complete production equipment and professional testing devices ensure stable, compliant quality.

Advanced testing equipment

Professional & advanced testing equipments are keys to provide customers with high-quality products.

- 二次元影像仪 2D Vision Tester
- 盐雾试验机 Salt Spray Tester
- 洛氏硬度计 Rockwell Hardness Tester
- 维氏硬度计 Vickers Hardness Tester
- 扭力测试仪 Torque Tester

专业外贸团队，双语服务，清关物流全程协助
产品符合国际标准，可提供材质报告，检测证书

Professional foreign trade team with bilingual service, full-process customs clearance assistance.
Products meet international standards, with material test reports and certification available.

BOLT SEIRS /螺栓系列

可生产符合客户要求的国标、德标、美标、日标、ISO 等多国国际标准，规格齐全，支持非标尺寸表面处理、强度等级定制。广泛应用于建筑工程、机械设备、新能源、化工、交通等众多领域。

We produce fasteners in GB, DIN, ANSI, JIS, ISO standards. Full specifications available, with custom non-standard sizes, surface treatments and strength grades. Suitable for construction, machinery new energy, chemical and transportation industries.

QUICK FIT KEEL / 快装龙骨系列

SNAP-ON ASSEMBLY NO DRILL & WELD

装配式卡扣式 免钻免焊·快速施工

一、核心特点

免焊免钻：卡扣 / 插接式连接，不用焊机、不用现场打孔，普通工人就能装。

极速施工：10m²吊顶约 45 分钟完工，效率比传统高 3 倍以上。

工厂预制：标准件 + 专用配件，尺寸精准（误差 ±1mm），一致性好。

可拆可复用：无损拆装，适合翻新、临时隔墙、循环利用。

高效装配
省心之选

EFFICIENT ASSEMBLY

Here's the concise lowercase version for your layout:

weld & drill free:

snap-in / plug-in connection, no welding or on-site drilling needed, easy for any worker to install

fast installation 10m² ceiling done in ~45 mins, over 3× faster than traditional methods.

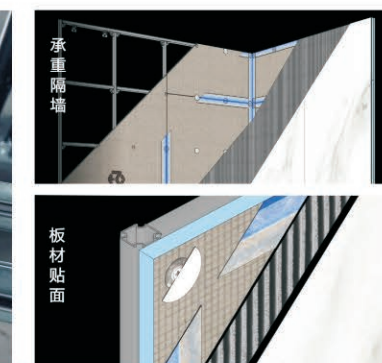

factory prefabricated:

standard parts + dedicated accessories, precision fit with ±1mm tolerance, consistent quality.

detachable & reusable:

non-destructive disassembly, ideal for renovations, temporary partitions, and reuse.

案例实拍 ACTUAL INSTALLATION CASES

KEEL FITTINGS / 龙骨配件系列

不同种类的龙骨配件各司其职、功能互补，通过科学组合可完整搭建各类复杂或简约的天花板结构；用户可根据实际施工需求，灵活选择匹配的类型与精准尺寸，保障吊顶骨架的稳固承重与安全。

Various keel accessories serve specific functions to build diverse ceiling structures. Choose the right types and sizes for a sturdy, aesthetic finish.

QUALIFICATION AND HONOR 资质荣誉

CORPORATE CULTURE 企业文化

公司秉承“诚信为本、质量为先、创新为魂、共赢致远”的经营理念，以精益求精的工匠精神深耕五金制品领域。注重技术研发与人才培养，严格把控生产流程，持续提升产品品质与交付效率。

The company adheres to the business philosophy of integrity-based, quality-oriented, innovation-driven and win-win cooperation. Rooted in the hardware industry with rigorous craftsmanship, it focuses on R&D and talent training, strictly controls production procedures, and continuously improves product quality and delivery efficiency.
